Dear Parents of Oholei תורה, כיתה ה',

It is our honor to be a partner in your children's Chinuch, from Cheder through Mechina (and beyond) אהלי תורה dedicates itself entirely to bring out the best in our תלמידים, and B"H we are proud to witness their growth and success each year.

The relocation of the Mechina to a building of their own and the expanded Hanholo with a super dedicated staff has proven to be a tremendous success; the Talmidim have grown into young Bochorim readying themselves to take the next big step in their life entering the world of a tomim in מתיבתא - ישיבה קטנה

Much has been talked and written of the new and revamped Oholei Torah Mesivta!

The relocation of the Mesivta to Remsen village (right on the outskirts of Crown Heights), and the fully updated learning curriculum, and expanded Hanholo has proven to be a success beyond our imagination!

The Talmidim enjoy an immersive multi-level Learning experience, spending the entire day in a מקום תורה hosted on our beautiful all-inclusive campus while remaining close to home, allowing the parents to continue to stay involved and active participants in their children's progress and development.

B"H, there has been tremendous interest in the Mesivta for the coming year, with many parents -from within and outside the yeshiva - reaching out to apply.

We are pleased to announce that we are now accepting applications for מתיבתא אהלי תורה תשפ"ג of שנת הלימודים for the upcoming תורה שיעור א.

Applications for current OT Talmidim can be submitted online at www.OholeiTorah.com/Mesivta

Space is limited; additionally, there is a significant demand to welcome groups of out of town Talmidim applying.

We will be unable to reserve space for Oholei Torah students beyond **Purim Katan!**

Please note: Mesivta differs in our Seder, Schedule, Expectation and rules.

It is self-understood that a Talmid's Acceptance to the Mesivta will be conditioned on the Talmid meeting the requirement and the Talmid & Parents committing to follow the guidelines.

After you have read the acceptance requirements and reviewed them with your son, please fill out our online application form by visiting:

www.OholeiTorah.com/Mesivta

There is a \$500 application fee which, upon students acceptance, will be applied towards the tuition. If a talmid is not accepted, the application fee will be refunded.

The deadline to secure your space in Mesivta is Purim Katan, February 15th!

If you have any questions, please don't hesitate to reach out to us.
