Mesivta Registration update and deadline

BS"D

Dear Parents of תלמידים כחה ה

We did not receive your application for your son to continue next year in Mesivta Oholei Torah.

Please be aware that we will need to close registration for Mesivta by Rosh Chodesh Nissan!

B"H Mesivta Oholei Torah has experienced a tremendous leap in the success of our Yeshiva and its Talmidim!

Whereas in previous years, the Bochurim did not have the facilities or full programming during their breaks leading many to go home multiple times a day and effectively splintering their day, interrupting their attention and focus on Yeshiva and their growth...

Today B"H there is a positive new reality, the expansive facility, the revamping of the academic structure, the expanded Hanholo, the influx of new Mechanchim and talent and the addition of Shluchim and robust programming has positively changed the landscape and trajectory, the bochurim are engaged throughout the day, immersed in their learning, motivated to grow and reach new heights.

The success has not gone unnoticed and B"H today, we have a growing demand for the Mesivta, from inside and outside of Oholei Torah!

Growth is an opportunity, but also an awesome responsibility, as we don't want to compromise the איכות (quality) of our Chinuch ח"ו!

To do so we need to grow cautiously and responsibly, with early recruiting and training of additional talented Maggidei Shiurim and skilled Mashpiim.

It is for the above reasons that we need to close our registration earlier than the other departments of the Yeshiva. We will prioritize applications based on student merits and early signup.

If your son is among the many students planning to continue with Mesivta Oholei Torah, we must receive your application Now!

Please do so by visiting: <https://oholeitorah.com/mesivta>

Please note: Mesivta differs in our Seder, Schedule, Expectation, and rules.

It is self-understood that a Talmid's Acceptance to the Mesivta will be determined based on the Talmid meeting the expectations and the commitment to follow the high standards for a Mesivta Bochur.

There is a \$500 application fee. Upon students acceptance, can be applied towards the Mesivta tuition.

Please be aware: we will not process any unpaid applications! Should your son not be accepted in the Mesivta, the application fee will be fully refunded.

The Mesivta Hanholo & The Registration Department

P.S. Multiple parents have reached out to inquire about the dorm option for shiur alef, and how it will work. Please see the basic outline in the document attached. Should you have any questions please don't hesitate to to reach out to us <https://www.oholeitorah.com/mesivta/#getintouch>
