Dear Parents of Oholei תורה, כיתה ה',

It is our honor to be a partner in your children's Chinuch, from Cheder through Mechina (and beyond) אהלי תורה dedicates itself entirely to bring out the best in the תלמידים, and B"H we are proud to witness their growth and success each year.

The relocation of the Mechina to a building of their own and the expanded Hanholo with a super dedicated staff has proven to be a tremendous success; the Talmidim have grown into young Bochorim readying themselves to take the next big step in their life entering the world of a tomim in מתיבתא - ישיבה קטנה.

Much has been talked and written of the new and revamped Oholei Torah Mesivta both b'gashmius and b'ruchnius!

We have implemented a new leveled learning program the past couple of years which has had amazing success B"H!

The relocation of the Mesivta to Remsen village (right on the outskirts of Crown Heights), and the fully updated learning curriculum, and expanded Hanholo has proven to be a success beyond our imagination!

The Talmidim enjoy an immersive learning experience, spending the entire day in a מקום תורה hosted on our beautiful all-inclusive campus while remaining close to home, allowing the parents to continue to stay involved and active participants in their children's progress and development.

B"H, there has been a great interest in the Mesivta for the coming year, with many parents -from within and outside the yeshiva - reaching out to apply.

We are pleased to announce that we are now accepting applications for מתיבתא אהלי תורה תשפ"ד of שנת הלימודים 'תורה שיעור א'.

Applications for current OT Talmidim can be submitted online at [www.OholeiTorah.com/Mesivta](http://www.OholeiTorah.com/Mesivta)

Space is limited; additionally, there is a significant demand to welcome groups of out-of-town Talmidim applying.

We will be unable to reserve space for Oholei Torah students beyond Shushan Purim!

Please note: Mesivta differs in our Seder, schedule, expectations, and rules.

It is self-understood that a Talmid's Acceptance to the Mesivta will be conditioned on the Talmid meeting the requirement and the Talmid & Parents committing to follow the guidelines.

After you have read the acceptance requirements and reviewed them with your son, please fill out our online application form by visiting:
